

## ABOUT US

Green Goes, LLC is a **certified Women-Owned Small Business (WOSB)** by the U.S. Small Business Administration. As a trusted importer, broker, and wholesaler of fresh produce, we proudly serve the Southeast and Mid-Atlantic regions.

Founded in 2018 in Miami, Green Goes began as a local delivery service supporting restaurants with their fresh produce procurement needs. Since then, we've grown into a dynamic supply chain partner connecting growers, exporters, logistics providers, and key industry players to ensure year-round availability of fresh produce.

At Green Goes, we believe that fresh fruits and vegetables ignite life energy, nourish the body, and promote overall well-being.
